Hi, is this car still available? please provide details of the car like accidental history and service record. I am interested to make a deal. Please advise if anything wrong with the car. you can reach me on****

Top Expert Review

Skoda's Indian innings has not been too interesting in the past few years. Their best-selling product is the Rapid but that manages just about 750 units per month an average which puts it far behind other sedans in the market.
